

# 3<sup>rd</sup> ISWEM Joint Program

Lambung Mangkurat University

The Government of South Kalimantan Province

International Symposium  
on Wetlands Environmental Management

## How Tropical Wetlands Can Meet Agriculture, Energy, and Settlement Demands

November 8<sup>th</sup> - 9<sup>th</sup>, 2014

Golden Tulip Hotel  
Banjarmasin, South Kalimantan

### Paper and Poster

Sub themes of paper and poster:

1. Natural Sciences and Engineering
2. Environmental Sciences
3. Wetlands Social Sciences

The extended abstract consists of 2-4 pages and covers: (1) Title, (2) Writer(s)'s Affiliation(s), (3) Abstract, (4) Introduction, (5) Methods, (6) Results and Discussions, (7) Conclusions, and (8) References. Times New Roman 12, single spacing, and 3 cm margins. Registration can be done through on-line at <http://iswem.unlam.ac.id> and [abudiman@fe.unlam.ac.id](mailto:abudiman@fe.unlam.ac.id) or [ariefbjm@gmail.com](mailto:ariefbjm@gmail.com) before **30 October, 2014**.

Poster board of (0.7 x 1.0) m is provided on site. Poster presenters may bring their posters to the venue and finish hanging their posters by **8 November, 2014 at 08.00 AM**.

Oral and poster presenters should have submitted their full paper before **6 November, 2014**. The full papers will be published in the International Journal of Wetlands Environmental Management ([www.ijwem.unlam.ac.id](http://www.ijwem.unlam.ac.id)).

### Participant Fee

Category		Before 20 Oct	Before 6 Nov
International		IDR 750.000	IDR 1.200.000
Local	Practical	IDR 350.000	IDR 600.000
	Student	IDR 200.000	IDR 300.000

Should be transfer to the bank account below:

Bank : BNI Banjarmasin  
Account no : 0348289756  
Name : Yuspihana Fitrial  
Swift code : BNINIDJA

The receipt of the bank transfer should be shown to the committee's secretariat though email or SMS in order to receive full consideration.

Tropical wetland are mistreated and neglected around world as a result of diversity. This treats are suggested related to urban development and conservation values because of the serious reliance of farmland, energy production and settlement ecosystem health. The 3rd International Symposium on Wetlands Environmental Management (ISWEM) will provide an international platform for the presentation of recent research and development and the exchange of ideas between environmental scientists and engineer, policy makers, industrialists, entrepreneurs, and research students who share a common interest in managing wetlands.

### Plenary Session

#### 1.Minister of Agriculture\*

"Agriculture Development Policy on Wetlands"

#### 2.Minister of Energy and Mineral Resources\*

"Energy Development Policy on Wetlands"

#### 3.Minister of Public Settlements\*

"Development Policy in Settlements on Wetlands"

#### 4.The Governor of South Kalimantan

"Development Policy in Agriculture, Energy, and Settlement Sector on South Kalimantan Wetlands"

\*to be confirmed

### Symposium Session

#### 1.Prof. Katai Janos (Hungary):

"Wetlands Environmental Management for Agriculture in Hungary"

#### 2.Prof. Dr. Weiguo Cheng (China):

"Changes in Soil Carbon and Nitrogen Content and Their Aerobic Decomposition Potentials After Rice Paddy Abandoned to Wetland"

#### 3.Dr. Mike Hodda (Australia):

"Bioenergy Resource from Wetland Ecosystem"

#### 4. Prof. Masahiro Kawasaki (Japan)

"Instrument for CO<sub>2</sub> Emission from Wild Fire"

#### 5. Prof. Abdul Hadi (Indonesia)

"Intercropping Rice in Between Annual and Crop (IRIAN) System"

### Important Dateline

Extended Abstract : 30 October, 2014

Full paper : 6 November, 2014

Non presenter : 6 November, 2014

Presentation : 8 November, 2014

Field Trip : 9 November, 2014

### SECRETARIATE
